

Bradford Safeguarding Week 2017: Essential information for providers of education and early years care

As a new academic year commences, children and young people are not the only ones with a lot to learn...

[Bradford Safeguarding Week 2017](#), which takes place from Monday 9th to Friday 13th October, will provide a range of quality learning and development opportunities. This includes useful information sessions for schools and early years providers.

Statutory legislation and guidance updates

With regular changes to statutory guidance and best practice, it can be hard to keep up to date with your duties and responsibilities when it comes to safeguarding and keeping children safe in education.

The following sessions run by [Yvonne Sinclair](#) - an independent safeguarding consultant and trainer - are **free**, informal events, designed to refresh your existing safeguarding knowledge around policy, procedures and mandatory training requirements. You will also have the chance to network with other professionals and service providers.

Keeping Children Safe in Education - Statutory Legislation and Guidance Updates for 2017 |

Date: Tuesday 10th October 2017

Time: 10.30 -11.30am and repeated at 14.30 - 15.30pm | **Venue:** City Training Services, Bradford

Who's it for? Headteachers, designated and deputy safeguarding leads, governors, management committees, school business managers, and all professionals working with or supporting children and young people in school.

What's in it for me? This session will identify the major changes within recent legislation reviews and highlight what professionals must consider when carrying out their duties to safeguard and promote the welfare of children.

Reference to paediatric first aid and first aid requirements for educational and early years settings will also be included courtesy of [GEM Compliance Training](#).

A strategic support network

Attendees at Yvonne's information sessions will be the first to know about the launch of an exciting collaborative partnership between [Yvonne Sinclair Consultancy](#), [GEM Compliance Training](#) and [BrightBird Coaching and Training](#).

With the ability to cover all your safeguarding, paediatric first aid, professional development and coaching needs, they look to provide a 'one-stop shop' to ensure you are meeting Ofsted's latest [Common Inspection Framework](#) requirements.

The three main areas of the framework being:

1. Leadership and management *provided by* [BrightBird Coaching and Training](#)
2. Safeguarding *provided by* [Yvonne Sinclair Consultancy](#)
3. Paediatric first aid *provided by* [GEM Compliance Training](#)

Outsourcing the above can be a bind but not with the launch of this new alliance. They will work with you to formulate a package designed around the specific needs of your education setting to ensure you remain compliant and up-to-date with requirements, which could affect your Ofsted Grading.

Don't miss out on the launch of this new and exciting alliance, as well as information about *FREE* taster sessions which will be available to those who attend one of the statutory legislation and guidance update sessions. Remember, places are limited, so don't delay booking your place.
